SMOKING POLICY

Shiptech Drydocks Operations is committed to provide a safe and healthy work environment for its employees and contractors. This commitment is supported by the organization's view that atmospheric contaminants including tobacco smoke can cause ill-health and should be eliminated or controlled.

To minimize the effects of smoking and prevent passive smoking in the workplace, Shiptech Drydocks Operations

- Prohibit smoking in all office areas and any enclosed workplaces, particularly areas used for food preparation and eating.*
- Prohibit smoking in areas where flammable or other dangerous activities occur, i.e., designated production areas.*
- Prohibit smoking in areas where flammable or other dangerous goods are stored or used.*

Personnel wishing to smoke are only permitted to do so in the following areas:

- In the designated Smoking Zones.*

A breach of this Policy will be dealt with in the same manner as a breach of the Health and Safety Policy or Code of Conduct and standard disciplinary procedures will apply.
